# Claudia Schmidt

Michigan native Claudia Schmidt has covered a lot of musical ground. She has recorded fourteen albums of mostly original songs, exploring folk, blues, and jazz idioms featuring her acclaimed 12 string guitar and mountain dulcimer playing. A musician who has always hated categories, she describes herself as a "creative noisemaker," which has irritated some critics but delighted many audiences, who learn to expect anything at a Schmidt concert, hymn, poem, bawdy verse, torch song, satire, and the gamut of emotions. Her live performances are not to be missed.
